TOYOTA

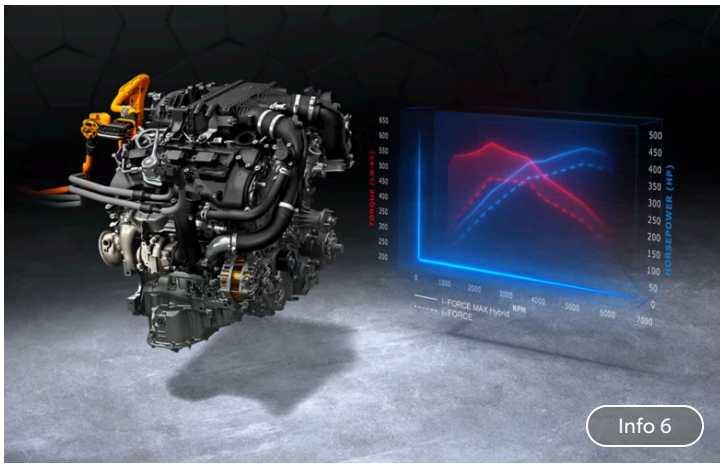
2026 Sequoia

From crosstown to cross-country.

Sequoia's premium cabin and robust powertrain get you to every destination in comfort and style.

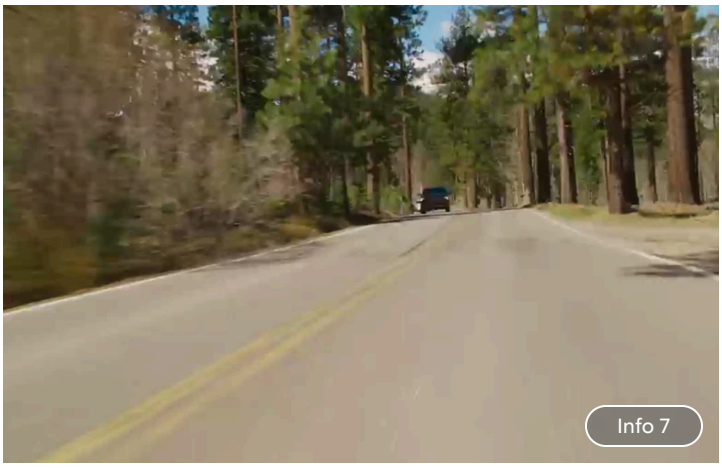
A Mode for Every Adventure

Rev up Sequoia's i-FORCE MAX hybrid engine, with 437 hp and 583 lb.-ft. of torque, for an exhilarating drive you'll never forget. When your adventures require more, take advantage of available Load-leveling Rear Height Control Air Suspension and a max towing capability of up to 9500 lbs. [1]



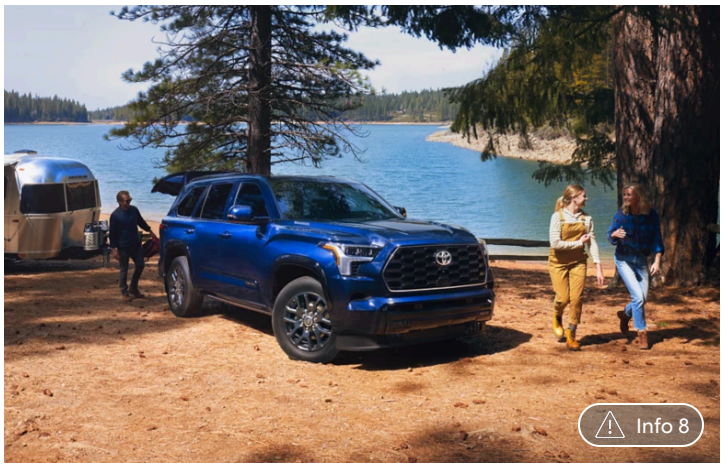
i-FORCE MAX Hybrid Powertrain

Paired with an electric motor, the i-FORCE MAX twin-turbo V6 hybrid engine offers outstanding acceleration and towing capacity, with 437 hp and 583 lb.-ft. of torque. It's a powerful combination built to take you there and back for years to come.



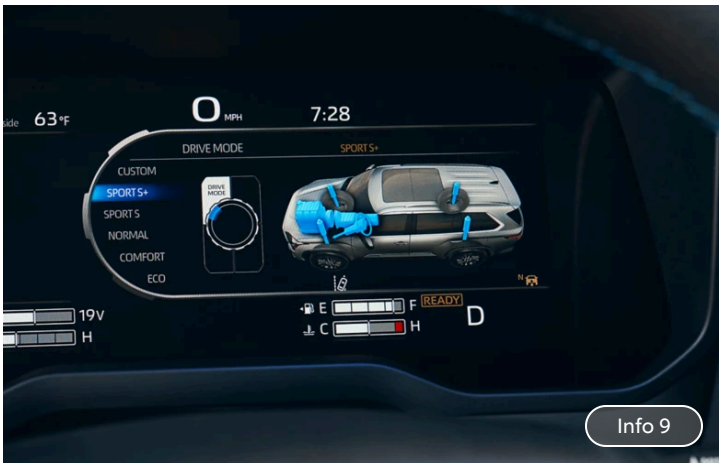
Intelligent Hybrid Efficiency

Powered to keep the adventures going. With a powerful i-FORCE MAX twin-turbo V6 hybrid engine, Sequoia has performance to envy. [2]



Towing Capacity

Whether you're towing a boat, trailer or camper, Sequoia offers peace of mind and a comfortable ride. Its towing capacity of up to 9500 lbs., [1] Integrated Trailer Brake Controller [3] and available tow-enhancing features make it one capable towing machine.

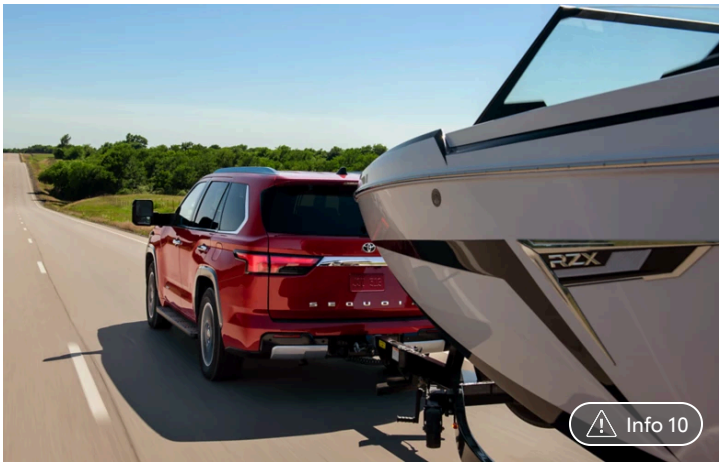


Drive Mode Select

Enhance every drive with the press of a button. Simply select the appropriate drive mode for the current driving conditions and enjoy optimized performance, whether you're crossing rocky ground or cruising on the open highway.

TOW/HAUL and Tow+ Modes

Sequoia is built to bring things along. With TOW/HAUL and Tow+ Modes, Sequoia adjusts its transmission settings to maximize ideal towing parameters, which optimizes towing capability and performance so you can take control on dirt trails or inclined roads.



Towing Technology

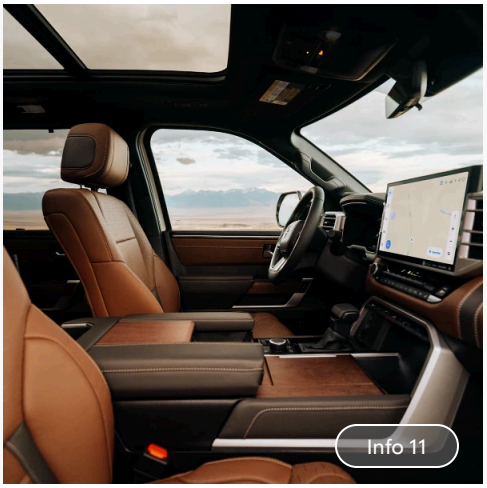
The available Tow Technology Package's digital display rearview mirror and Trailer Backup Guide with Straight Path Assist [4] help make your haul a breeze. The available wireless trailer camera offers immediate visibility when you're backing up, or a long-distance view while you're driving. [5]

The beauty's in the details.

Interior

1794 Edition

The 1794 Edition's premium Saddle Tan interior features leather trim and real American walnut trim with an open-pore finish that highlights the natural beauty of the grain.

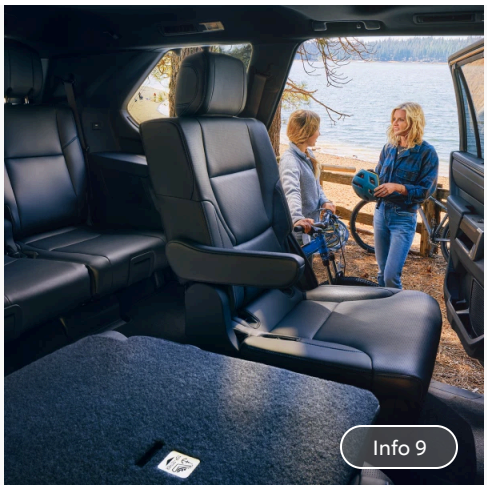


Second-Row Seating

Sequoia's size speaks for itself. With second-row bench seats that make room for up to eight, or available second-row captain's chairs that let you seat up to seven, the whole family can enjoy plenty of space.

Well-Appointed Seating

Heated front seats and available heated and ventilated first- and second-row seats offer year-round comfort. Available leather-trimmed seats also reflect the care dedicated to every drive.



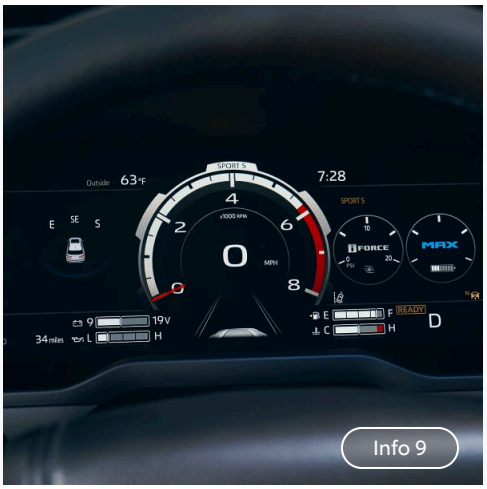
Third-Row Seats and Cargo System

Easily fold down the power third-row seats and slide them forward or back to customize your cargo space, and stay organized with the durable cargo shelf system that lets you bring along even more.

Technology

12.3-In. Digital Gauge Cluster

Customize the 12.3-in. full-color digital gauge cluster to your liking. Rearrange the driving information you want to see so you can enhance your everyday driving experience.

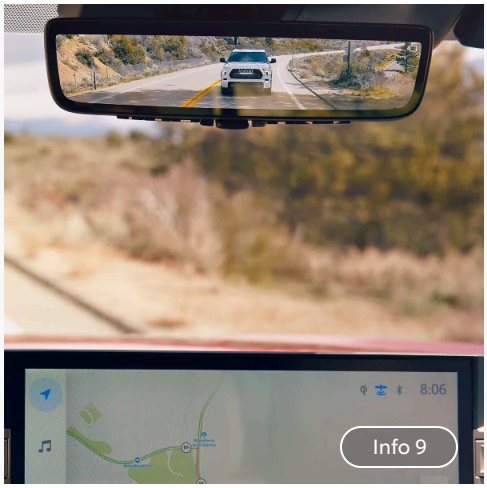


Qi Wireless Charging

No cables. No plugging in. No hassle. Available Qi-compatible wireless charging [12] lets you simply place your compatible smartphone on the dock and charge while you're on the go.

Power Outlets

Whether you're using a portable cooler or inflating accessories, simply plug into the available 120V outlets [13] located in the cabin or rear cargo area to enhance every adventure.



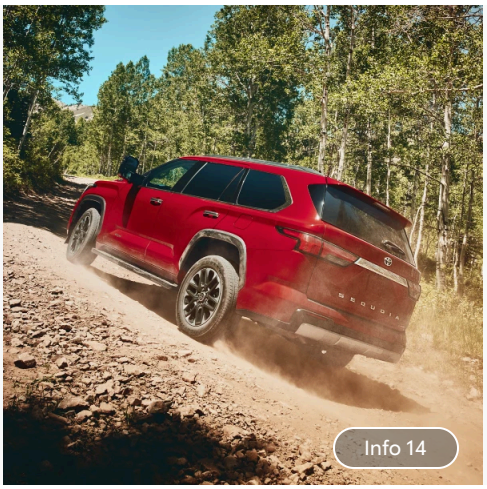
Digital Rearview Mirror

Sequoia's available digital rearview mirror casts a clear, wide and obstruction-free view of what's behind you. You can zoom in, zoom out and adjust the mirror to give you a better perspective.

Exterior

Sophisticated Design

Sequoia stands out for much more than its commanding size: Its modern styling and premium touches elevate your confidence with every mile.

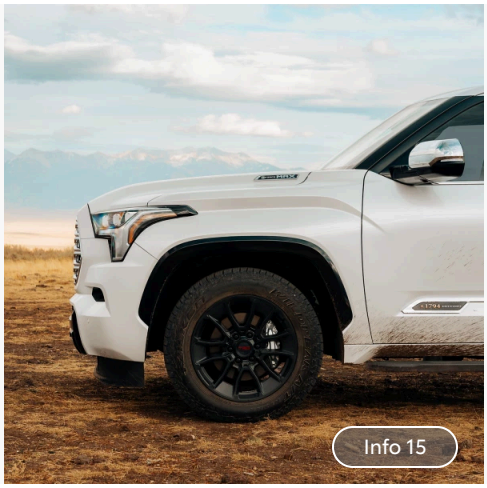


Power-Extending Tow Mirrors

Put your mind at ease while towing. Available power-folding, -extending and -retracting tow mirrors increase your ability to see, and help make towing easier and safer for starting your adventure.

TRD Pro Heritage Front Grille

Sequoia TRD Pro features a black "TOYOTA" heritage grille with integrated LED light bar and amber marker lights, to help you see and be seen.



Wheel Designs

Look good wherever you are. Capstone's impressive 22-in. alloy wheels and 1794 Edition's purposeful 20-in. wheels enhance Sequoia's presence from every angle.

CAPABILITY

Unleash a towing titan.

Strong Core

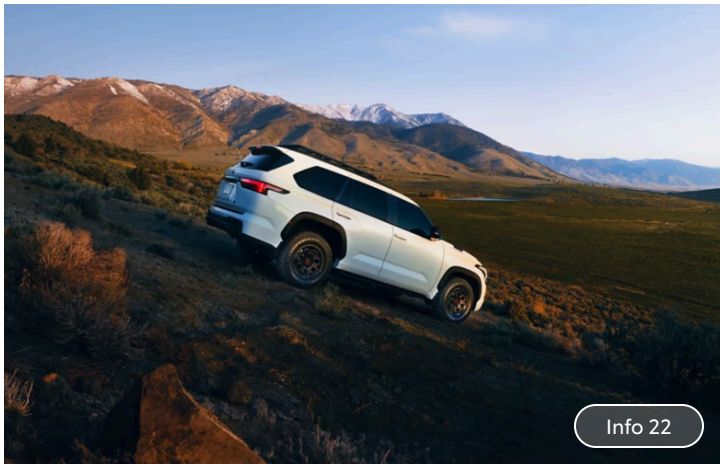
Sequoia's body and frame are made of lightweight and high-strength materials, which make it strong enough for adventures on and off the road. Meanwhile, with the available TRD Off-Road Package's suspension, you can enjoy its capabilities and one smooth and confident drive.

Adaptive Variable Suspension

Available Adaptive Variable Suspension (AVS) adjusts damping force based on ever-changing road conditions. Whether you're encountering a large pothole, bump or rock, Sequoia's built-in actuators in the front and rear shock absorbers are designed to continuously change damping force for refined riding comfort, confident handling and enhanced towing stability.

Load-Leveling Suspension

The available Load-leveling Rear Height Control Air Suspension can help level the vehicle by lowering or raising its height according to driving conditions. It also helps control body roll when you're going around tight corners and helps make straight drives smoother so you can feel confident towing more.



Optimized Traction

Whether you're off-roading or traveling through heavy snowfall, available Multi-Terrain Select allows you to choose from five modes to help improve your traction by automatically adjusting the engine throttle and traction control. On a steep or slippery slope? Available Downhill Assist Control [16] can help apply the brakes as you descend.

Crawl Control

Sequoia is ready for your off-road adventure. [17] Available Crawl Control (CRAWL) [18] works to provide optimal traction over rugged terrain. By modulating the throttle and brake controls automatically, you'll be able to focus more on finding a smoother path.

Locking Rear Differential

Take on challenging paths with confidence. Sequoia's available electronic locking rear differential helps provide significant traction by delivering engine power evenly to both rear wheels, so you can gain more grip in low-traction conditions.

Multi-Terrain Monitor

Confidently navigate around large rocks or other obstacles that are in your way while off-roading. Just turn on the available Multi-Terrain Monitor (MTM) to get a full range of visibility around your vehicle by taking advantage of its front, side and rear cameras.

Audio Multimedia

SiriusXM® 3-Month Trial Subscription

SiriusXM® [25] has premium entertainment that you won't hear anyplace else. With a 3-month trial, you get 425+ channels, including 165+ channels in your vehicle, to enjoy ad-free music, plus sports, news, comedy and more. Experience even more on the SiriusXM® app, featuring expertly curated podcasts, Xtra channels of music, Artist Stations, SiriusXM® video and more. [26]

Wireless Apple CarPlay®

Bring along a familiar interface. With Sequoia's wireless Apple CarPlay® compatibility, [27] you can use your compatible iPhone® [28] with the audio multimedia system to get directions, make calls, send and receive messages and listen to music, all while staying focused behind the wheel.

Wireless Android Auto™

Stay connected on the road. By pairing your compatible Android™ [29] phone with the audio multimedia system, Android Auto™ compatibility [30] lets you get real-time traffic alerts, make and receive phone calls, listen to your favorite soundtrack and more.

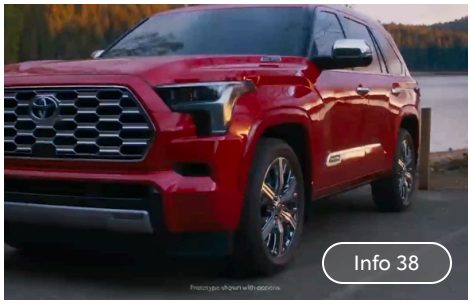
JBL® Premium Audio System

Immerse yourself in quality sound with Sequoia's available JBL® [31] Premium Audio system. A 14-speaker, 800-watt audio system equipped with a subwoofer and amplifier, it provides phenomenal sound and makes you feel like you're in the front row of a performance.

Comfort & Convenience

Panoramic View Monitor

Load up and head out with no trouble. The Panoramic View Monitor (PVM) [35] gives you a full 360-degree view of the vehicle with a trailer hitch line. This provides additional visibility and guidance as you park or back up to hitch a trailer.

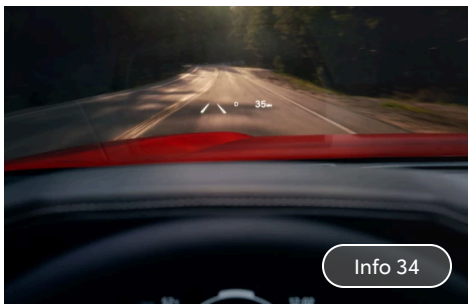


Power-Extending Running Boards

Step into your comfort zone. Available power-extending running boards are concealed when the door is closed, then move into position when the door is opened, so you can conveniently get into and out of your Sequoia.

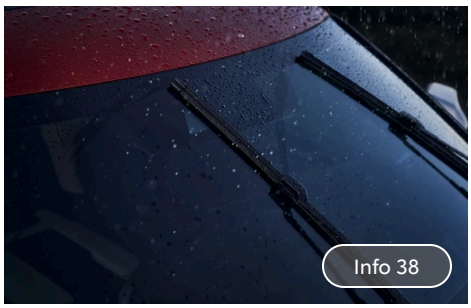
Hands-Free Liftgate

To open the available hands-free power rear liftgate, wave your foot under the center of the rear bumper. If your key fob is on you, the liftgate will open automatically. [36] When you're done, just press the Close-and-Lock button, and Sequoia will automatically close the gate and lock all your doors.



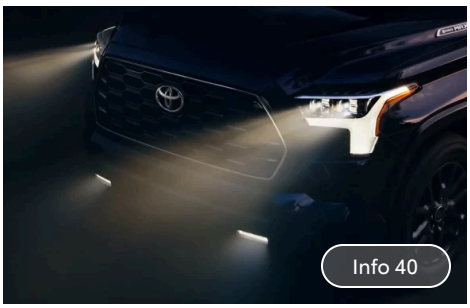
10-In. Head-Up Display

An available 10-in. color Head-Up Display (HUD) projects your speed, certain safety alerts and other customized driving info right onto the windshield so you can focus on your drive.



Rain-Sensing Wipers

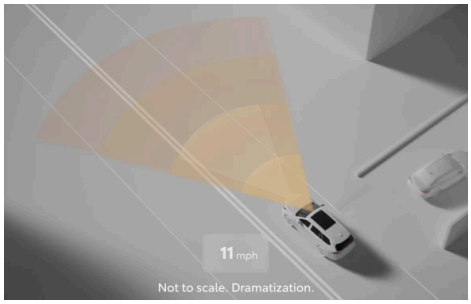
Let your windshield wipers be the judge. Available rain-sensing wipers detect rain and are designed to automatically start wiping the windshield based on how much rain is coming down.



Premium LED Headlights

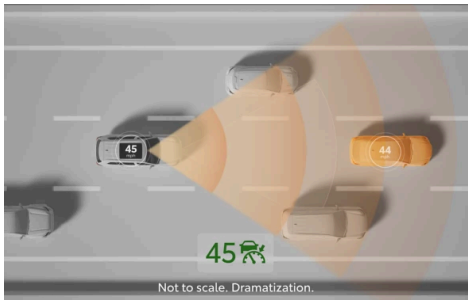
Sequoia's available premium LED headlights can automatically adjust their angle based on the vehicle's load to help reduce glare from oncoming traffic. Turn on the standard LED fog lights and experience more ease while driving at night.

Toyota Safety Sense™ 2.5 [41]



Pre-Collision System With Pedestrian Detection

PCS w/PD [42] can alert you to potential collisions and may automatically brake.

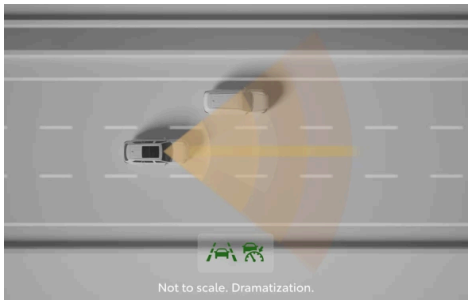


Full-Speed Range Dynamic Radar Cruise Control

DRCC [43] helps maintain a preset distance from the vehicle ahead of you, from highway speeds down to a full stop.

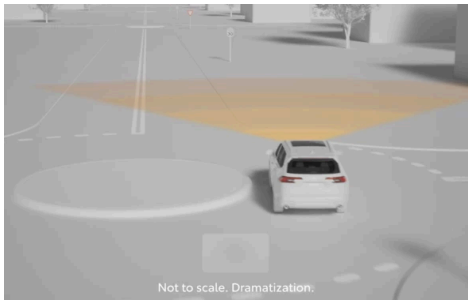
Lane Departure Alert With Steering Assist

LDA w/SA [44] may alert you to inadvertent lane departures and make minor steering corrections to help keep you in your lane.



Lane Tracing Assist

LTA [45] helps you center the vehicle within its lane while DRCC [46] is active.



Road Sign Assist

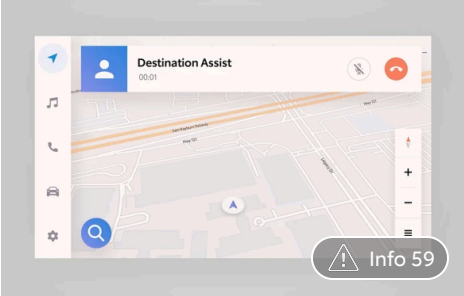
RSA [47] can recognize certain road signs and display them to you inside the vehicle.

Automatic High Beams

AHB [48] can automatically toggle between high and low beams based on the vehicle's surroundings.

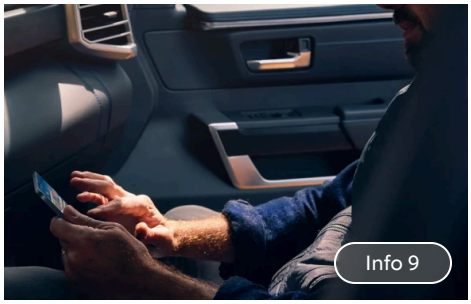
See numbered disclaimer footnotes in Info and Disclosures section.

Connected Services



Drive Connect

With an active Drive Connect trial or subscription, [49] the Cloud Navigation [50] and Intelligent Assistant [51] features help you find where you need to be, while Destination Assist [52] allows you to talk to a live agent as they help you find your destination's coordinates and offer directions on how to get there. 1-year trial included on select trims. 4G network dependent.

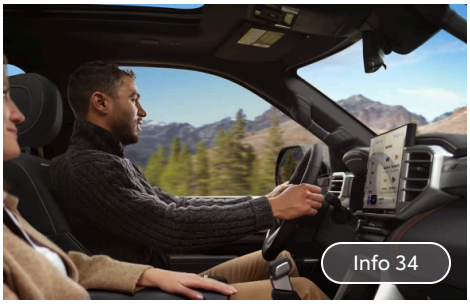


Wi-Fi Connect

Turn Sequoia into a hotspot. With an active Wi-Fi Connect [5] trial or subscription, you can easily connect up to five devices. And, depending on your existing mobile provider, you can add the Wi-Fi Connect subscription to your current mobile plan. We'll even include an up-to-30-day or 3-GB trial to get you started. 1-year trial included. 4G network dependent.

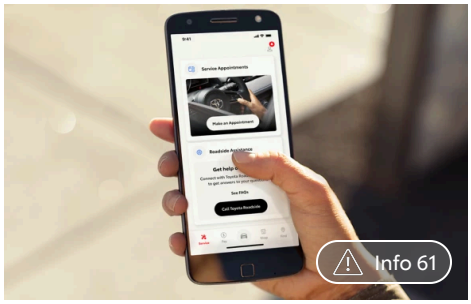
Remote Connect

Sequoia is up to speed with the latest tech. With an active Remote Connect trial or subscription, [53] you can start the engine, lock/unlock doors and locate your vehicle using the Toyota app [54] through your compatible smartphone or smartwatch. 1-year trial included. 4G network dependent.



Safety Connect®

Connect to our 24/7 response center in case of an accident or emergency with the press of a button. [55] You also get 24/7 Roadside Assistance [56] and a Stolen Vehicle Locator [57] to give you peace of mind that help is on the way. Activation required. 5-year-minimum trial included. 4G network dependent.



Service Connect

Stay up to date with your Sequoia's information, such as status and alerts, maintenance reminders and more. [58] It's a convenient way to help make sure your Sequoia is running at its best. 5-year-minimum trial included. 4G network dependent.

INFO AND DISCLOSURES

1. Never tow beyond a vehicle's published towing capacities. **2.** EPA-estimated 21 city/24 highway/22 combined mpg rating for 2026 Sequoia SR5 and Limited 4x2; EPA-estimated 19 city/22 highway/20 combined mpg rating for 2025 Sequoia SR5, Limited, Platinum, 1794, TRD Pro and Capstone 4x4. Use for comparison purposes only. Your mileage will vary for many reasons, including your vehicle's condition and how/where you drive. See www.fueleconomy.gov. **3.** Integrated Trailer Brake Controller is an electronic system that operates in tandem with a trailer equipped with an electric braking system. It is designed to help the driver maintain trailer control by increasing or reducing trailer braking based on trailer weight. It is not a substitute for safe towing practices. Factors including speed, weather, road conditions and driver input can all affect trailer braking control. See Owner's Manual for additional limitations and details. **4.** The backup camera does not provide a comprehensive view of the rear area of the vehicle/trailer. When using straight path assist, driver should confirm clearance and is still responsible for safe operation. See Owner's Manual for limitations. **5.** Service not available everywhere or in every vehicle. Depends on 4G cellular network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded. Up to 5 devices can be supported using in-vehicle connectivity. Services may vary and are subject to change without notice. Data charges may apply. Requires separate subscriptions to third-party provider services. Valid in the contiguous U.S. and Alaska. Go to https://myvehicle.att.com/#/toyota/learn?language=en=US for terms and conditions. The Wi-Fi Connect trial begins at the time of enrollment and expires the earlier of 3GB data use or the 1-month trial period ends. Trial begins at activation and expires the earlier of 3 GB data use or 1 mo. Valid in contiguous U.S. and Alaska. See https://myvehicle.att.com/#/toyota/learn?language=en=US for terms and conditions. **6.** i-FORCE MAX twin-turbo V6. **7.** Capstone shown in Supersonic Red. TRD Pro shown in Ice Cap. Prototypes shown with options. 2024 models shown. **8.** Never tow beyond a vehicle's published towing capacities. Platinum shown in Blueprint. Towing capacity shown is 9010 lbs. Prototype shown with options. **9.** Platinum interior shown. Prototype shown with options. **10.** Never tow beyond a vehicle's published towing capacities. Limited shown in Supersonic Red with available power-extending tow mirrors. Options shown. **11.** 1794 Edition interior shown in Saddle Tan. Prototype shown with options using visual effects. **12.** Wireless charging may not be compatible with all mobile phones, smart devices, tablets, e-readers, MP3/WMA players and like products. **13.** Do not exceed 120V. See Owner's Manual for additional limitations and details. **14.** Limited shown in Supersonic Red with available power-extending tow mirrors. Options shown. **15.** 1794 Edition with TRD Off-Road Package shown in Wind Chill Pearl. Prototype shown with options. **16.** Downhill Assist Control is designed to help driver maintain vehicle control and speed on steep, downhill descents and is not a substitute for safe driving judgment and practices. Factors including speed, grade, surface conditions and driver input can affect the DAC's ability to prevent loss of control. See Owner's Manual for additional limitations and details. **17.** The Toyota model or models shown are designed to meet most off-road driving requirements, but off-roading is inherently dangerous and may result in personal injury or vehicle damage. Toyota encourages responsible operation to help protect you, your vehicle and the environment. **18.** Crawl Control is designed for driving on difficult terrain at low speeds and assists the driver by controlling acceleration and braking, allowing the driver to focus on steering. See Owner's Manual for additional limitations. **19.** Capstone shown in Supersonic Red. TRD Pro shown in Ice Cap. Prototypes shown with options. **20.** Never tow beyond a vehicle's published towing capacities. Platinum shown in Blueprint. Vehicle shown with options using visual effects. **21.** Never tow beyond a vehicle's published towing capacities. Platinum shown in Blueprint. Prototype shown with options. **22.** TRD Pro shown in Ice Cap. Prototype shown with options. **23.** TRD Pro shown in Ice Cap. Prototype shown with options. 2024 model shown. **24.** TRD Pro interior shown in Cockpit Red. Prototype shown with options. **25.** Service will automatically stop at the end of your trial subscription period unless you decide to continue service. Trial is non-transferable. If you do not wish to enjoy your trial, you can cancel by calling the number below. All SiriusXM services require a subscription, each sold separately by SiriusXM after the trial period. Service subject to the SiriusXM Customer Agreement and Privacy Policy, visit siriusxm.com for complete terms and how to cancel which includes online methods or calling 1-866-635-2349. Some services and features are subject to device capabilities and location availability. Satellite service not available in AK & HI. Content varies by SiriusXM subscription plan. All fees, content and features are subject to change. All rights reserved. **29.** Google, Android, Android Auto, Google Maps, YouTube Music and other marks are trademarks of Google LLC. Compatible Android phone and compatible active data plan required. **30.** Wireless use of Android Auto requires a compatible Android 11.0+ phone and compatible active data plan. Check g.co/androidauto/requirements for compatibility. Operability depends on network availability, a cellular connection, and GPS signal. Services vary by vehicle and are subject to change at any time without notice. Data charges may apply. To learn more, go to https://www.toyota.com/audio-multimedia/. To learn more about Toyota's Connected Services data collection, use, sharing, and retention practices, please visit https://www.toyota.com/support/privacy-notice/. Google, Android, Android Auto, Google Maps, YouTube Music and other marks are trademarks of Google LLC. Compatible Android phone and compatible active data plan required. **31.** JBL® is a registered trademark of Harman International Industries, Inc. **32.** Screen depiction accurate at time of posting. Platinum interior shown. iPhone® shown. iPhone® is a registered trademark of Apple Inc. All rights reserved. Prototype shown with options. **33.** Screen depiction accurate at time of posting. Platinum interior shown. Prototype shown with options. **34.** Capstone interior shown. Prototype shown. **35.** The Panoramic View Monitor does not provide a comprehensive view of the area surrounding your vehicle. Look around to confirm clearance. See Owner's Manual for limitations. **36.** Water, weather, dirt, and other conditions may cause the hands-free power liftgate sensor to not operate properly. See Owner's Manual for limitations. **37.** Platinum interior shown with Panoramic View Monitor (PVM). The Panoramic View Monitor does not provide a comprehensive view of the area surrounding your vehicle. Look around to confirm clearance. See Owner's Manual for limitations. Prototype shown with options. **38.** Capstone shown in Supersonic Red. Prototype shown with options. **39.** Water, weather, dirt, and other conditions may cause the hands-free power liftgate sensor to not operate properly. See Owner's Manual for limitations. Platinum shown in Blueprint. Prototype shown with options. 2024 model shown. **40.** Platinum shown in Blueprint. Vehicle shown with options using visual effects. **41.** Toyota Safety Sense™ effectiveness is dependent on many factors including road, weather and vehicle conditions. Drivers are responsible for their own safe driving. Always pay attention to your surroundings and drive safely. See Owner's Manual for limitations. **42.** The Pre-Collision System (PCS) with Pedestrian Detection (PD) is designed to determine if impact is imminent and help reduce impact speed and damage in certain frontal collisions involving a vehicle, a pedestrian or a bicyclist. PCS w/PD is not a substitute for safe and attentive driving. System effectiveness depends on many factors, such as speed, size and position of pedestrian or bicyclist and weather, light and road conditions. See Owner's Manual for

limitations. **43.** Full-Speed Range Dynamic Radar Cruise Control is not a substitute for safe and attentive driving. See Owner's Manual for instructions and limitations. **44.** Lane Departure Alert with Steering Assist is designed to read visible lane markers under certain conditions. It provides a visual/audible alert and slight steering force when lane departure is detected. It is not a collision-avoidance system or a substitute for safe and attentive driving. Effectiveness depends on many factors including road, weather and vehicle conditions. See Owner's Manual for limitations. **45.** The Lane Tracing Assist (LTA) lane centering function is designed to read visible lane markers and detect other vehicles under certain conditions. It is only operational when DRCC is engaged. See Owner's Manual for limitations. **46.** Dynamic Radar Cruise Control is not a substitute for safe and attentive driving. See Owner's Manual for limitations. **47.** Road Sign Assist only recognizes certain road signs. See Owner's Manual for limitations. **48.** Automatic High Beams operate at speeds above 21 mph. See Owner's Manual for instructions and limitations. **49.** Drive Connect services may vary and are subject to change at any time without notice. Availability and accuracy depend on 4G network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded. Further, if and when 4G network changes or is discontinued, or the underlying technology required to support service becomes obsolete, then services will not work, and will need to be discontinued. Services require account registration through Toyota app and acceptance of Connected Services Terms of Use at toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf and Master Data Consent. Data charges may apply. For Toyota's Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see toyota.com/support/privacy-notice/. Trial period begins on original purchase or lease date of new vehicle. Services may vary and are subject to change without notice. Requires app download/registration, acceptance of Terms of Use and subscription after trial (if applicable). Data charges may apply. **50.** Cloud Navigation requires a trial or subscription to Drive Connect. Drive Connect availability and accuracy depend on certain factors outside of Toyota's control in order to operate, including 4G network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded. Services subject to change at any time without notice. Requires app download/registration and subscription after trial (if applicable). Terms of Use apply. Data charges may apply. See Owner's Manual and https://www.toyota.com/connected-services/ for limitations. To learn about Toyota's Connected Services data collection, use, sharing and retention practices, visit https://www.toyota.com/support/privacy-notice/. **51.** Intelligent Assistant requires a trial or subscription to Drive Connect. Drive Connect availability and accuracy depend on certain factors outside of Toyota's control in order to operate, including 4G network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded. Services subject to change at any time without notice. Requires app download/registration and subscription after trial (if applicable). Terms of Use apply. Data charges may apply. See Owner's Manual and https://www.toyota.com/connected-services/ for limitations. To learn about Toyota's Connected Services data collection, use, sharing and retention practices, visit https://www.toyota.com/support/privacy-notice/. **52.** On select models, Destination Assist will require a trial or subscription to Drive Connect. Drive Connect services may vary and are subject to change at any time without notice. Availability and accuracy depend on 4G network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded. Further, if and when 4G network changes or is discontinued, or the underlying technology required to support service becomes obsolete, then services will not work, and will need to be discontinued. Services require account registration through Toyota app and acceptance of Connected Services Terms of Use at toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf and Master Data Consent. Data charges may apply. For Toyota's Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see toyota.com/support/privacy-notice/. Trial period begins on original purchase or lease date of new vehicle. Services may vary and are subject to change without notice. Requires app download/registration, acceptance of Terms of Use and subscription after trial (if applicable). Data charges may apply. The Destination Assist trial period begins on original purchase or lease date of new vehicle. Paid subscription required after trial (if applicable). Terms of Use apply. **53.** Use only if aware of circumstances surrounding vehicle it is legal safe to do so (e.g., do not remotely start a gas engine vehicle in an enclosed space or if vehicle is occupied by a child). Remote Connect services vary by vehicle and are subject to change at any time without notice. Services depend on 4G network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded. Further, if and when 4G network changes or is discontinued, or the underlying technology required to support service becomes obsolete, then the services will not work and will need to be discontinued. Digital Key also requires Bluetooth® connectivity. Not available on manual transmissions. Services require account registration through Toyota app and acceptance of Connected Services Terms of Use at toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf and Master Data Consent. Data charges may apply. For Toyota's Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see toyota.com/support/privacy-notice/. Trial period begins on original purchase or lease date of new vehicle. Paid subscription required after trial (if applicable). Terms of Use apply. **54.** An active Remote Connect trial or subscription is required to use the features mentioned in the Toyota app. **55.** Safety Connect® services vary by vehicle and are subject to change at any time without notice. Services depend on 4G network availability, a cellular connection, and GPS signal. Without any one or more of these things, operability may be limited or precluded, including access to response center and emergency support. Further, if and when 4G network changes or is discontinued, or the underlying technology required to support service becomes obsolete, then the services will not work and will need to be discontinued. Stolen vehicle police report required to use Stolen Vehicle Locator. Services require account registration through Toyota app and acceptance of Connected Services Terms of Use at https://www.toyota.com/content/dam/toyota/privacyvts/pdf/connectedservices-terms-use.pdf and Master Data Consent. Data charges may apply. For Toyota's Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see https://www.toyota.com/support/privacy-notice/. The Safety Connect® trial is included for a minimum of 5 years. 4G network dependent. **56.** Enhanced 24/7 Roadside Assistance allows use of in-vehicle SOS button to assist response agent to identify vehicle location. Unlimited mileage coverage effective with an active Safety Connect® trial or subscription that depends on certain factors, including 4G network availability. Services require account registration through the Toyota app and acceptance of Connected Services Terms of Use at toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf and Master Data Consent. Data charges may apply. For Toyota's Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see toyota.com/support/privacy-notice/. Enhanced Roadside Assistance does not include parts and fluids, except limited emergency gas delivery. Towing distance up to 25 miles. Restrictions apply. Service subject to change at any time. Available in the continental U.S. and Canada. See Toyota dealer for details and exclusions. **57.** Building and/or parking structures may limit system effectiveness. Stolen vehicle police report required to use Stolen Vehicle Locator. For additional assistance contact the Toyota Brand Engagement Center at 1-800-331-4331. **58.** Service Connect services vary by vehicle and are subject to change at any time without notice. Services depend on 4G network availability, a cellular connection, and GPS signal. Without any one or more of these things, operability

may be limited or precluded. Further, if and when 4G network changes or is discontinued, or the underlying technology required to support service becomes obsolete, then the services will not work and will need to be discontinued. Information provided is based on the last time data was collected from the vehicle and is not real-time data. Services require account registration through Toyota app and acceptance of Connected Services Terms of Use at https://www.toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf and Master Data Consent. Data charges may apply. For Toyota's Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see https://www.toyota.com/support/privacy-notice/. The Service Connect trial is included for a minimum of 5 years. 4G network dependent. **59.** Drive Connect shown. One-year trial included. Drive Connect services may vary and are subject to change at any time without notice. Availability and accuracy depend on 4G network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded. Further, if and when 4G network changes or is discontinued, or the underlying technology required to support service becomes obsolete, then services will not work, and will need to be discontinued. Services require account registration through Toyota app and acceptance of Connected Services Terms of Use at toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf and Master Data Consent. Data charges may apply. For Toyota's Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see toyota.com/support/privacy-notice/. Trial period begins on original purchase or lease date of new vehicle. Services may vary and are subject to change without notice. Requires app download/registration, acceptance of Terms of Use and subscription after trial (if applicable). Data charges may apply. **60.** Remote Connect shown. An active trial or subscription is required. 4G network dependent. [remote_connect_21mm_disclaimer_icon] **61.** Service Connect shown. Service Connect services vary by vehicle and are subject to change at any time without notice. Services depend on 4G network availability, a cellular connection, and GPS signal. Without any one or more of these things, operability may be limited or precluded. Further, if and when 4G network changes or is discontinued, or the underlying technology required to support service becomes obsolete, then the services will not work and will need to be discontinued. Information provided is based on the last time data was collected from the vehicle and is not real-time data. Services require account registration through Toyota app and acceptance of Connected Services Terms of Use at https://www.toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf and Master Data Consent. Data charges may apply. For Toyota's Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see https://www.toyota.com/support/privacy-notice/. The Service Connect trial is included for a minimum of 5 years. 4G network dependent. **62.** Do not rely exclusively on Blind Spot Monitor. Look over shoulder and use turn signal. See Owner's Manual for limitations. **63.** Do not rely exclusively on the Rear Cross-Traffic Alert. Visually confirm clearance during use. See Owner's Manual for limitations. **64.** Front and Rear Parking Assist with Automatic Braking (PA w/AB) may warn drivers of, and potentially brake for front and rear collisions with certain objects when traveling at low speeds. Drivers should visually confirm clearance during use. See Owner's Manual for instructions and limitations. **65.** Airbag systems supplement the seatbelts and are designed to inflate only under certain conditions and in certain types of severe collisions. Always wear seatbelt, sit upright in middle and as far back in seat as possible to help decrease risk of injury. Do not put objects in front of an airbag. See Owner's Manual for limitations. **66.** Auto LSD is an electronic, brake-actuated limited-slip differential that automatically activates when VSC is disengaged at low speeds. See Owner's Manual for limitations. **67.** HomeLink® and the HomeLink® house icon are registered trademarks of Gentex Corporation. **68.** BBS® is a registered trademark of BBS of America, Inc. **69.** Extra-cost color. **70.** SofTex® is a registered trademark of Toyota Motor Sales, U.S.A., Inc. **71.** This floor mat/floor liner was designed specifically for use in your model and model year vehicle and SHOULD NOT be used in any other vehicle. To avoid potential interference with pedal operation, each mat/liner must be secured with its fasteners. Do not install a floor mat/floor liner on top of an existing floor mat/floor liner. **72.** Rear-seat leg rest may not fully raise based on height of passenger. Do not allow passengers to sit in a seat that has been fully or severely reclined while driving. This feature is intended for use only when the vehicle is parked. While the vehicle is being driven, all vehicle occupants should have the seatback upright, sit well back in the seat and properly wear the seatbelts provided. In the event of a collision, the more the seat is reclined, the greater the risk of death or personal injury. See Owner's Manual for additional limitations and details. **73.** Rated for 12 volts/10 amps. See Owner's Manual for additional limitations and details. **74.** Be sure to obey traffic regulations and maintain awareness of road and traffic conditions at all times. System functionality and accuracy of information depend on many factors. Use common sense when relying on information provided. Services and programming subject to change. Updates may be at an additional cost. See Owner's Manual for limitations. **75.** The backup camera does not provide a comprehensive view. Always look over shoulder and use outside mirrors. See Owner's Manual for limitations. **76.** Vehicle Stability Control is not a substitute for safe and attentive driving practices. Factors including speed, road conditions, weather and steering input can affect whether VSC will be effective. See Owner's Manual for limitations. **77.** Brake Assist is designed to help the driver take advantage of ABS and is not a substitute for safe driving practices. Braking effectiveness also depends on proper vehicle maintenance, tire and road conditions. See Owner's Manual for additional limitations and details. **78.** Smart Stop Technology® will reduce power to help the brakes bring vehicle to a stop during certain contemporaneous brake and accelerator pedal applications. See Owner's Manual for limitations. **79.** Active front headrests can help reduce the extent of whiplash in certain types of rear-end collisions. **80.** The Tire Pressure Monitor System alerts the driver when tire pressure is critically low. For optimal tire wear and performance, tire pressure should be checked regularly with a gauge; do not rely solely on the monitor system. See Owner's Manual for limitations and details. **81.** Bilstein® is a registered trademark of ThyssenKrupp Bilstein GmbH FED REP GERMANY. **82.** FOX is a registered trademark of FOX Factory, Inc. **83.** Before towing, confirm Stop and Start Engine System is disengaged. **84.** Trailer-Sway Control (TSC) is an electronic system designed to help the driver maintain vehicle control under adverse conditions. It is not a substitute for safe driving practices. Factors including speed, road conditions, weather and driver steering input can all affect whether TSC will be effective in preventing a loss of control. See Owner's Manual for additional limitations and details. **85.** When the system is on, Electric Parking Brake is designed to engage the Parking Brake under limited conditions. It may not hold the vehicle under all conditions. See Owner's Manual for additional limitations and details. **86.** For Toyota hybrid, plug-in hybrid, fuel cell and battery electric vehicles beginning model year 2020, the hybrid (HV) battery is covered for 10 years from date of first use or 150,000 miles, whichever comes first. Coverage is subject to the terms and conditions of your New Vehicle Limited Warranty. See the Toyota Owner's Warranty and Maintenance Guide for details.

Toyota strives to build vehicles to match customer interest and thus they typically are built with popular options and option packages. Not all options/packages are available separately and some may not be available in all regions of the country. See toyota.com for information about options/packages commonly available in your area. If you would prefer a vehicle without any or with different options, contact your dealer to check for current availability or the possibility of placing a special order.

Color(s) depicted may vary based on multiple factors, including ambient lighting and the format in which it is being viewed (e.g., computer, mobile device or print).

Some vehicles are shown with available equipment. Seatbelts should be worn at all times. For details on vehicle specifications, standard features and available equipment in your area, contact your Toyota dealer. A vehicle with particular equipment may not be available at the dealership. Ask your Toyota dealer to help locate a specifically equipped vehicle.

All information presented herein is based on data available at the time of posting, is subject to change without notice and pertains specifically to mainland U.S.A. vehicles only. Vehicles shown may be prototypes, shown using visual effects and/or shown with options. Actual models may vary.
